Alma Mater

Words by Robert Cormier '42 — Music by Alphonse Piermarini '42

Upon the hill you stand upright
Against the storm of time and tide.
Your glory is our guiding light;
Your nobleness our pride.
We raise our voices now in song
And send your praise across the sky.
You served us faithfully and long;
Your spirit shall not die.

CHORUS

Hail, O Alma Mater, hail to you,
Your noble heart forever proud and true.
And though the years are dark and long,
This will be our song forever more.
The trust you gave us we shall not forget,
For faith can never know regret.
The star of truth, symbol of our youth,
We praise you, Leominster High.

My life has been a tapestry of rich and royal hue
An everlasting vision of the everchanging view
A wondrous woven magic in bits of blue and gold
A tapestry to feel and see, impossible to hold

Learning

Learning . . . teachers . . . books . . . quiet hours of studying . . . frustration and contentment. Learning . . . just a thread — a small part of our years at L.H.S. Learning — a thread of the combined experiences of high school.

"The teacher . . . gives not of his wisdom but rather of his faith and his lovingness. If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind."

— Gibran

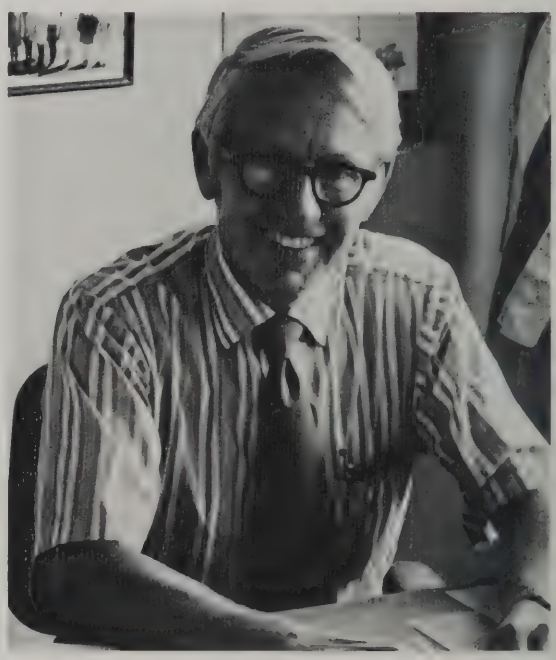

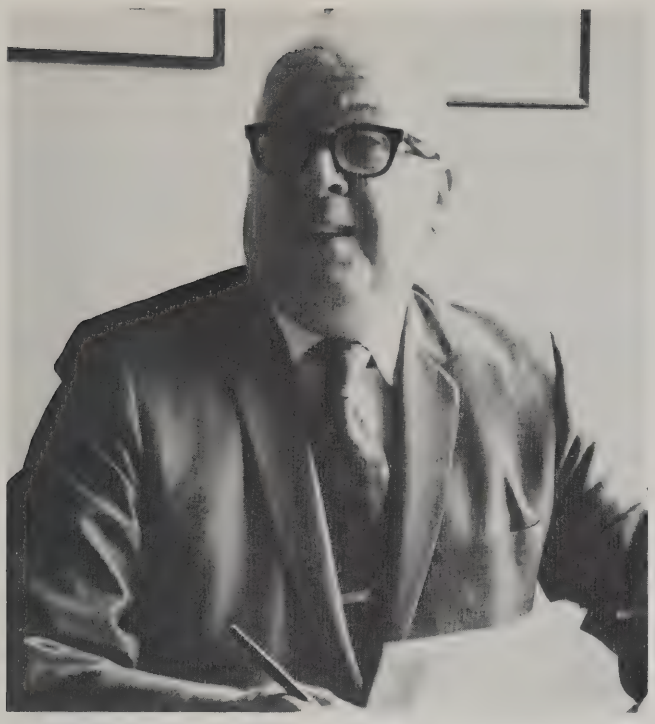

Principal
Aldrich V. Cousins

Three years ago you approached with hesitant steps. You entered and found yourself in a very competitive and challenging situation. At times you faltered, but that desire for achievement persisted.

You found that we offered you the opportunity to become scholars and leaders, to emulate good and responsible citizenship along with many very meaningful friendships.

Now that you are leaving we sincerely hope and pray that through our efforts you have gained the necessary knowledge to continue in your chosen fields of endeavor. May God bless you all.

Vice-Principal
John F. Joyce

Gratitude is the essence of my message: My thanks to you for what you have brought to our school to make it a better and happier place in which to be and to work; thanks for your integrity, your adaptability, your loyalty, your enthusiasm, and the gift of your friendship. May generous measures of success and happiness be yours in whatever you do, and be assured that my fondest wishes will attend you always.

Director of Trade
Emile S. Johnson

You have spent the past few years in preparation for your future work. Many of you have done outstanding work in both the Shop and Academic classroom. May you continue to work diligently as you start to work in your chosen field. Many opportunities will be available to you in the industries. Take advantage of these opportunities, be diligent and honest in your work and you will advance rapidly.

Miss Nancy Gauthier

Ms. Bonnie McLean

Mr. Harry Mitchell

Mr. Michael Padovano

Mr. George Peck

Mrs. Geraldine Rheault

Mrs. Ruth Rooney

The English Department, under the guidance of Mrs. Ellen Cleaves, led us through new doors, where we met literary greats such as Fitzgerald, Conrad, Steinbeck, and O'Neill. We were also helped in improving our self-expression through essays, compositions, and stimulating discussions. We left senior English with a greater understanding of others and, more important, of ourselves.

Mr. Paul Benoit

Mr. Charles DeFillippo

Miss Margaret Iacoboni

Mrs. Alice Hemeon

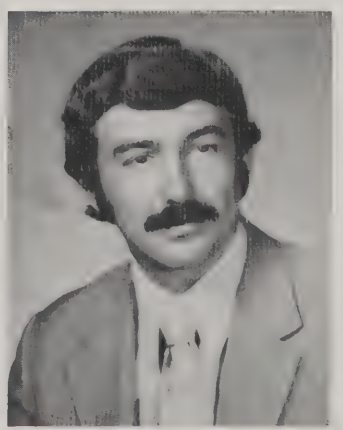

Mrs. Eleanor L'Ecuyer

Mr. Kenneth Stevens

The Social Science Department's prime subject was people. Headed by Mr. John Magane, the teachers of this department introduced us to people from the past, which helped shed some light on the human situation of the present and of the future. Also, we gained knowledge of foreign peoples and their cultures. This was priceless, for knowledge leads to understanding, and understanding can lead to brotherhood.

Mr. David Williams

Mr. Roland Worthen

Math Department

Miss Helen Hartnett
Dept. Head

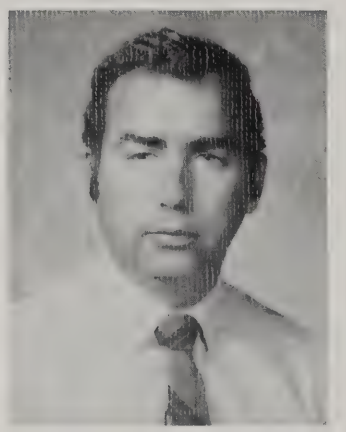

Miss Mary Addante

Mr. Carleton Finch

Mr. Eugene Farrell

With Miss Helen Hartnett ably leading the way, the mathematics teachers at L.H.S. took us with them into the world of numbers. We grappled with equations, fought with logarithms, tried to reason with geometry proofs, and fought for derivatives. We did not succeed in every battle, but in the long run we emerged victorious, with a firm knowledge of math to help us figure out the problems of life.

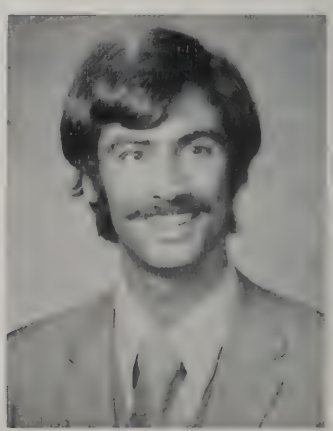

Mrs. Brita Hemenway

Miss Anne O'Connor

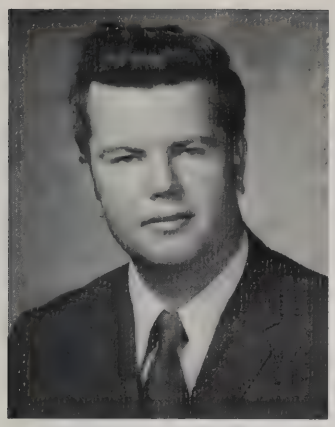

Mrs. Jeannette Piccicuto

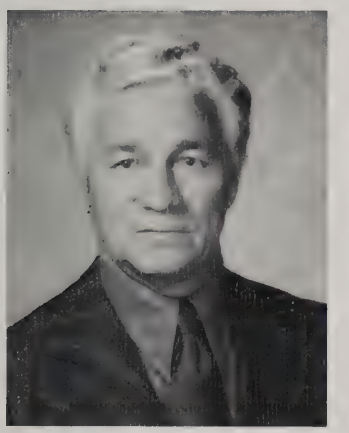

Mr. Charles Surdyka

Science Department

Mr. Michael Cavanaugh
Department Head

Mr. Albert Christopher

Mr. John Delaney

The Science Department, under Mr. Michael Cavanaugh, led us on an exploration of the laws governing man's world, and we saw the simultaneous simplicity and complexity of nature. We also learned how man has adapted to nature's laws, taking advantage of some, and overcoming others. We left our science classes with not only much knowledge, but also much curiosity, for we came to know that whenever we answer one question, we create many more.

Foreign Languages

Mr. Eugene Rheault
Department Head

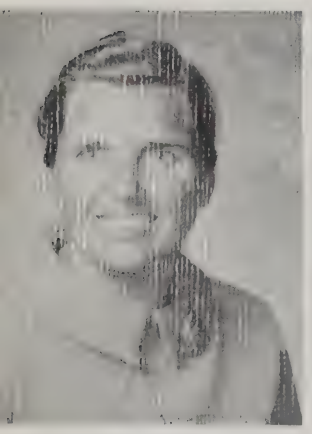

Mr. John Arroyo

Miss Claire Bisol

In the Foreign Language Department, with Mr. Eugene Rheault at the helm, we tried to master the ability to communicate in a language at first unfamiliar to our tongues and ears. And finally, our work was rewarded when we were able to sit back and enjoy foreign films, songs, books, stories, and conversations.

Mrs. Elfriede
Cavanaugh

Ms. Julie Cossi

Miss Anna Forte

Miss Pauline Hudon

Business Education

The Business Department did a great job of preparing us for the sometimes awesome business world. Under Mrs. Betty Leonard, the faculty taught us skills in typing, bookkeeping, shorthand, stenography, and in fact, just about every area where a skill is essential in order to succeed in an office situation.

Mr. Philip DeCharles

Mrs. Phyllis Johnson

Mrs. Joan Lufkin

Mr. Samuel Mascitti

Mrs. Giovanna Moynihan

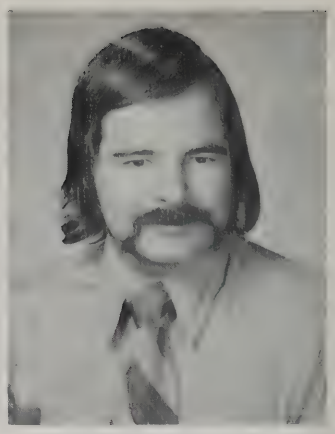

Mrs. Barbara Simpson

Mrs. Elsie Adams

Public Speaking

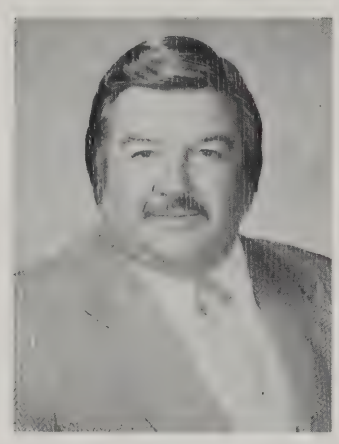

Mrs. Adams' and Mr. Lanza's speech classes were designed to prepare the student to communicate effectively. Public Speaking classes developed individual speaking and oral reading skills. Mrs. Adams' Theater Arts class experienced and explored acting, producing, and evaluating drama. The course of study included contemporary drama from Ibsen to the present. Both courses emphasized the individual's role in oral communication.

Mr. Peter Lanza

Music

With the guidance of Mr. Bisceglia, we developed skill in many types of music: contemporary, classical, vocal, and instrumental. And as our skill grew, so did our appreciation of the many facets of music.

Mr. Egidio Bisceglia

Mr. Richard Pelletier

Art

During our three years at L.H.S. many of us were lucky enough to come under the artistic direction of Mr. Richard Pelletier. It was with his indispensible guidance that we learned of artists and their style and media in art appreciation classes, and how to have fun while learning the basic and more advanced techniques in his art classes. We not only learned how to express ourselves in various media, we learned the feeling of art and how to incorporate it into our own creative endeavors.

Mrs. Jean Fetterman

Home Economics

With the supervision of Miss Karen Poikonen and Mrs. Jean Fetterman, members of the Home Economics classes gained valuable experience in preparing meals and desserts, and in creating modern fashions. Also covered were topics such as home management, personal grooming, and etiquette.

Miss Karen Poikonen

Physical Education

Mr. William Hazel
Dept. Head

The Physical Education Department gave all of us the opportunity to participate in a wide range of sports and physical activity. Under the direction of the faculty led by Mr. William Hazell, we developed skills and healthy competitive spirit, and despite the twenty degree temperatures, the sometimes muddy fields, and our aching bones, we really had a lot of fun.

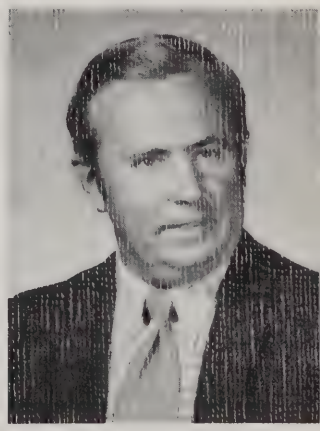

Mrs. Caryl Buckley

Mr. Ralph Caisse

Miss Pauline Ciccone

Mr. Leon Hannigan

Mrs. Paula Perla

Mr. Carmine Picucci

Mrs. Thelma Cousins

Mr. Thomas Mullins

Mr. William Lanciani

Under Mrs. Thelma Cousins, we learned in Developmental Reading to comprehend and interpret what we read.

In Work Study, with Mr. William Lanciani and Mr. Thomas Mullins, individual tutoring sessions aided our mastery of mathematics and English.

Mrs. Dorothy Gottsegen

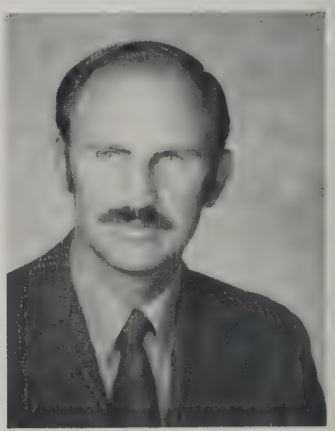

Under the direction of Mrs. Dorothy Gottsegen, students in Distributive Education learned the many techniques of retailing and merchandising. Their education was not confined to the classroom; they were able to gain valuable experience through jobs in the city's various businesses.

With the assistance of Mr. Leonard Johnson, technical drawing students developed their abilities in spatial visualization in order to formulate new design concepts and convey engineering data.

In the Industrial Arts course, Mr. Frank Worthley taught students the basis of working in industry, acquainting them with various tools, materials, and mechanical processes.

Mr. Leonard Johnson

Mr. Frank Worthley

Mrs. Judith Rigopoulas

In the Nurses Aid course, girls from the senior class explored the many facets of nursing. Both classroom instruction and personal contact with the patients of the Fairlawn Nursing Home helped in discovering what nursing is all about.

Trade Academics

On alternate weeks, trade students spent time in regular classes studying such subjects as English, mathematics, history and science.

Mr. John Goubeaud

Mr. Raymond Kongorski

Mr. Richard Mailloux

Mr. John Feeley

Mr. Clifford Gilbert

Mr. Howard Hatch

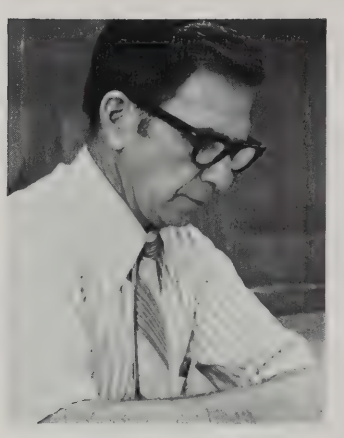

Mr. Wilfred LeBlanc

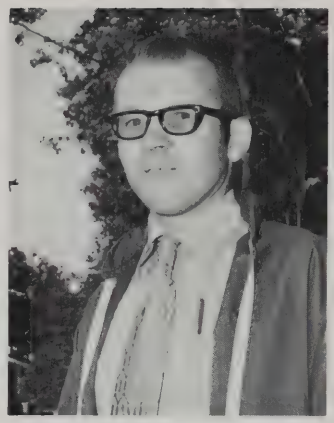

Through the use of modern cars and equipment, students in the automotive program learned the theory and practice necessary to become an auto mechanic.

Students in Carpentry were prepared in all modern phases of rough and finished carpentry. After two years of classroom study of methods and the usage of tools, students participated in the construction of a fully modern home in the local area.

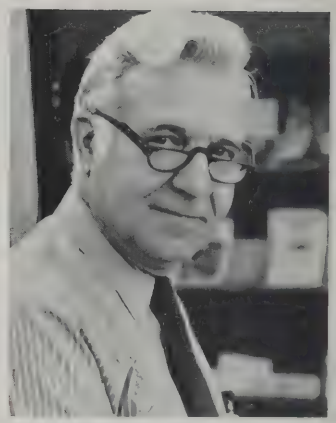

Carpentry

Mr. Donald Burton

Mr. Douglas Clark

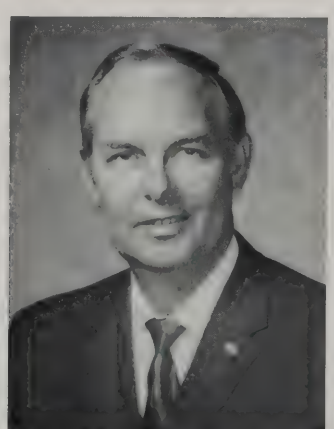

Mr. Harold Mooney

Drafting

Students in the Drafting program gained the background needed in the field of machine layout and design drafting.

Mr. Robert Harrington

Mr. Robert Hemenway

Mr. John Keefe

Mr. Frank Moryl

Mr. Peter Sobel

In Electronics, students were trained in work sampling, quality control, wage rate and management practice. Each pupil of electronics came to possess practical knowledge of the electric-electronics field.

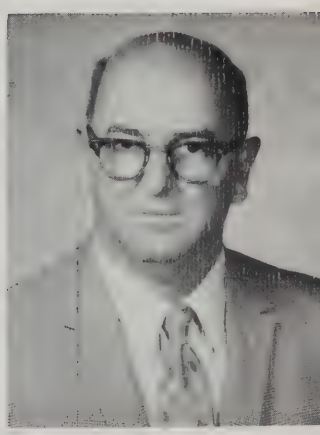

Mr. Robert Archibald

Electronics

Mr. Alcide Belliveau

Mr. Armand Fontaine

Machine Shop

Mr. Algidio Membrino

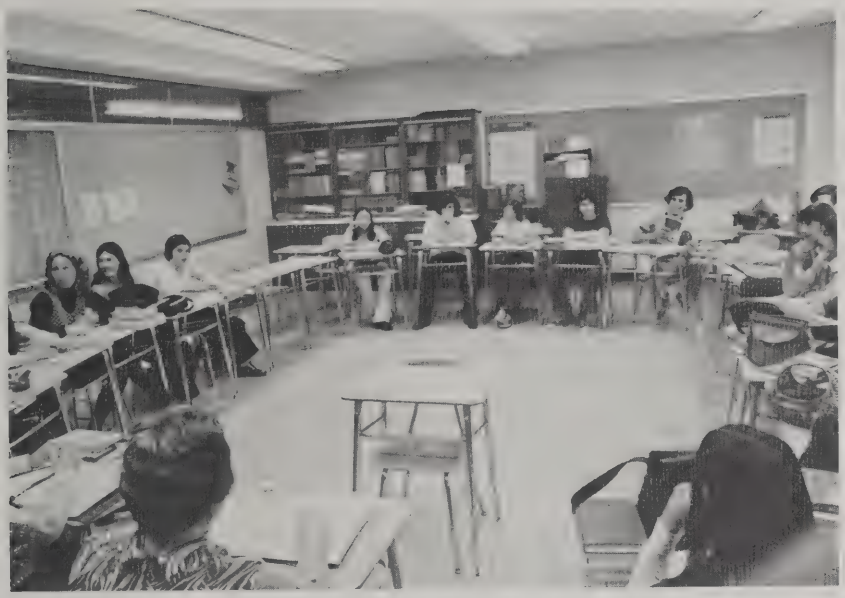

Mr. Charles Valera

The Machine Shop course gave the student a broad background in the practice of cutting, drilling, and grinding. Following this, concentration was focused on machine tool maintenance and repair. Special emphasis in this course was placed on blueprint reading and mold design.

"The most I can do for my friend is simply to be his friend"

Thoreau

AN ETERNITY

There is no dusk to be,
There is no dawn that was;
Only there's now, and now,
And the wind in the grass.

Days I remember of
Now in my heart, are now;
Days that I dream will bloom
White the peach bough.

Dying shall never be
Now in the windy grass;
Now under shooken leaves
Death never was.

Organizations

Organizations . . . an important thread of fun and activity . . . working . . . sharing . . . giving of ourselves. Understanding our fellow man and realizing our potentials — a thread of precious hours of fullfillment —

"For to be idle is to become a stranger unto the seasons . . . When you work you are a flute through whose heart the whispering of the hours turns to music."

Student Life

Student life . . . wrap-ins . . . suppers . . . rallies . . . exams. Life at L.H.S. is a complex thread of many activities. A thread of fun and hard work and at the same time learning.

Planning . . . studying . . . rehearsal after rehearsal — L.H.S. students are busy! And from our many activities we gain pleasure —

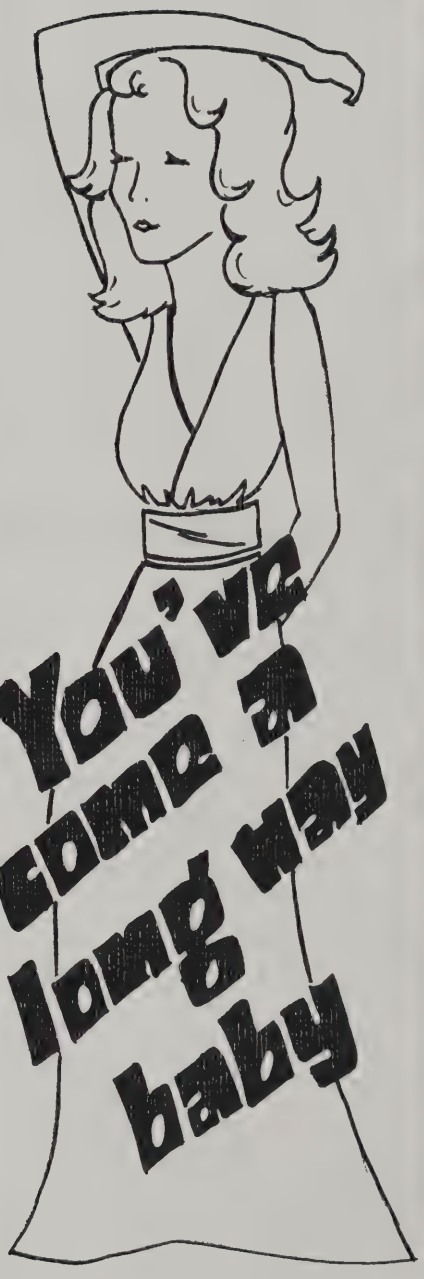

". . . pleasure is a freedom
song . . . be in your pleasure
like the flowers and the bees."

DECA Fashion Show

I've come a long way, have you?

The annual fall fashion show, "You've Come A Long Way, Baby" was presented by D.E.C.A. The chairmen for this event were Patricia Girouard and Suzanne Marcoux and every D.E.C.A. student worked to make the show a success. Fashions were from Sears and Roebuck of Leominster and Chess King of Auburn. One of our own students, Beverly Cronin, presented some fashions of her own design. Versatility was the theme of the evening — because "You've Come A Long Way, Baby!"

Time: 10:06 AM Eastern Standard Time

Setting: Amid the blue and white carnations, in the balloon filled gymnasium.

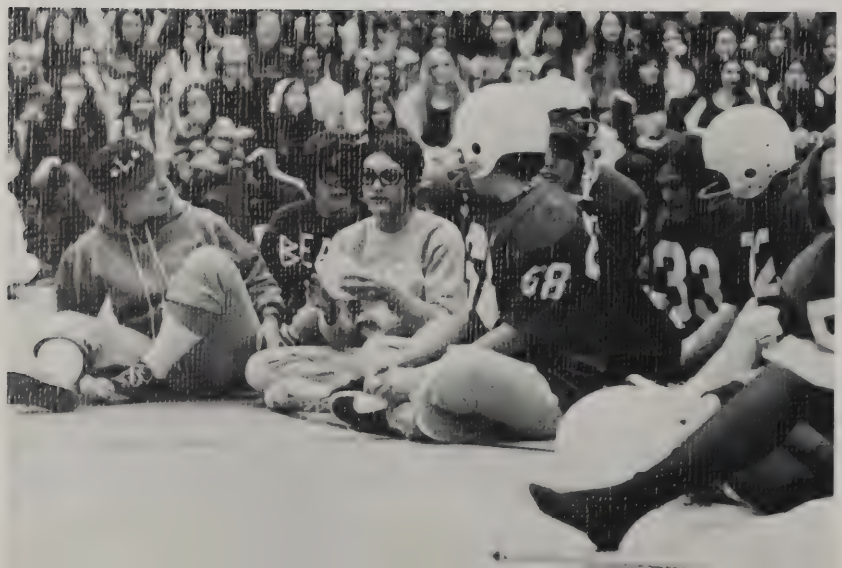

Theme: "If at first you don't succeed, eat your turkey and call it a day.

Main Characters: Luscious lasses, inspired instructors, frantic fans and two or three ding-a-lings.

Authors of this event: Sheila Hannigan and Susan Stebbins.

Thanksgiving Rally

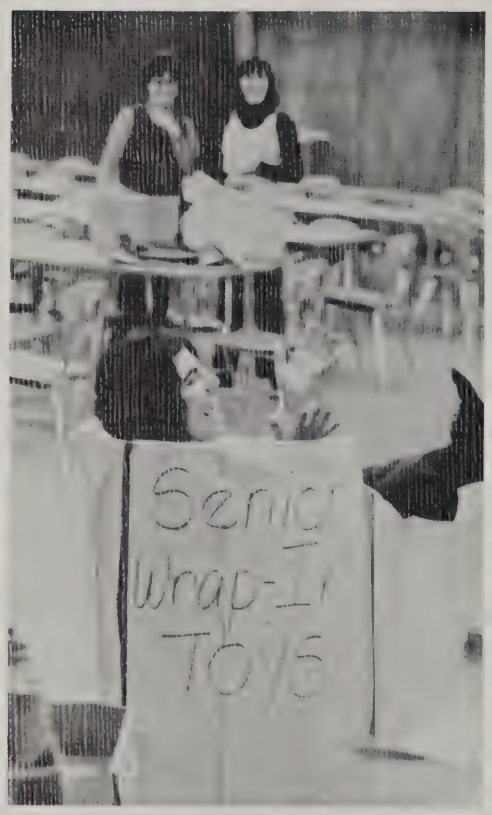

"I ate too much turkey . . ."

Senior Wrap-In

World's largest doll!

Chairman — Maureen Padden

'Twas the 18th of December
And all thru' the caf.
Not a body was resting —
Not even our Ralph.
Ange in her box and Mrs. P in a tree
Were busily working for this wrapping spree.
Toys for the needy being wrapped with great care
In hope that the tots would make use of our wares.

It's a Tradition . . .

That the Senior Class present a play during the school year — the Class of 1973 up-held that tradition. It is a tradition that the Senior Class play be one of acclaimed dramatic value — the class of 1973 presented Gogol's, *The Inspector General.* It is also a tradition that many members of the class be involved in producing this play. That tradition was kept alive when on December 8th and 9th, 1972, the Senior Class play was presented with many members of trade actively involved, members of the football team dancing and many other members of the student body involved in all aspects of this presentation. Thanks to Mrs. Adams, the student directors, the production manager, the actors and you, the tradition of the Senior Class Play was carried on for one more year.

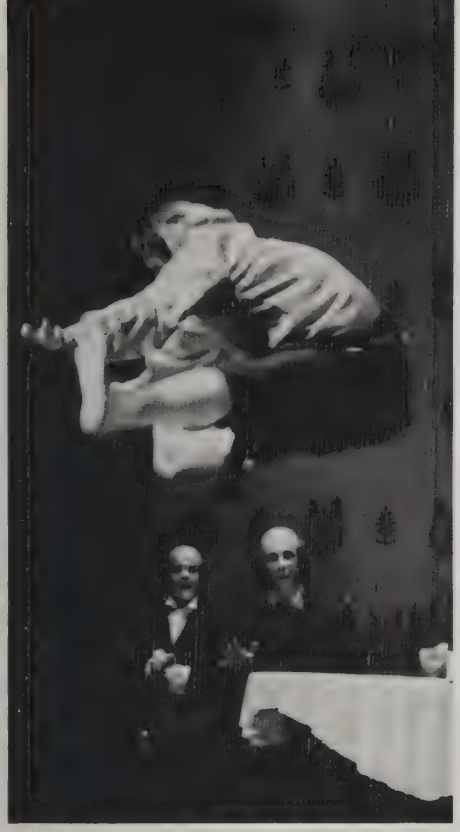

The *Inspector General* was a rousing success — that's a tradition too!

shepard award

Hlstakov recites a love poem to Marya and convinces her that he is a gov't inspector and a man of leisure.

Marya is upset when she learns that Hlstakov is not a "Petersburg Gentleman."

best actor

steve fusco

best actress

cheryl buskey

The leading role of Hlstakov was played by Steve Fusco. The happy-go-lucky, arrogant imposter had the Mayor convinced that he was a gov't inspector from Petersburg.

Steve did a remarkable job in a scene in which he was slightly intoxicated and pretended to be learned in the cultures of Russia and France. His easy manner of speech and superb characterization made Steve a sure Shepard Award winner.

Each member of the Senior Cast was eligible for the Shepherd Award presented annually to the outstanding actor and actress.

Cheryl Buskey, this year's best actress played the part of Marya. She was the naive daughter of Anna and the Mayor. Cheryl had the audience captivated with her quick wit and excellent facial expressions. Cheryl, also, had the audience laughing at her portrayal of the innocent lover impressed by the charm of the visiting Hlstakov.

elsie adams

The Senior Class is greatly indebted to a fine lady who has received little recognition for her never ending devotion and hard work.

For the past seven years Mrs. Elsie Adams has been able to balance her teaching, her family, her own dramatic involvement and the senior class play — everyday occurrences when considered singularly but a tireless schedule when added together.

Mrs. Adams is more than an instructor to her students — she shares her life with her pupils and in turn becomes a trusted and personal friend to those who come in contact with her.

One must keep in mind that acting is just one small piece included in the machine called theater. Mrs. Adams showed the seniors involved in the play that one must be an expert in lighting, make-up, set design, etc., etc. in order to produce a good play.

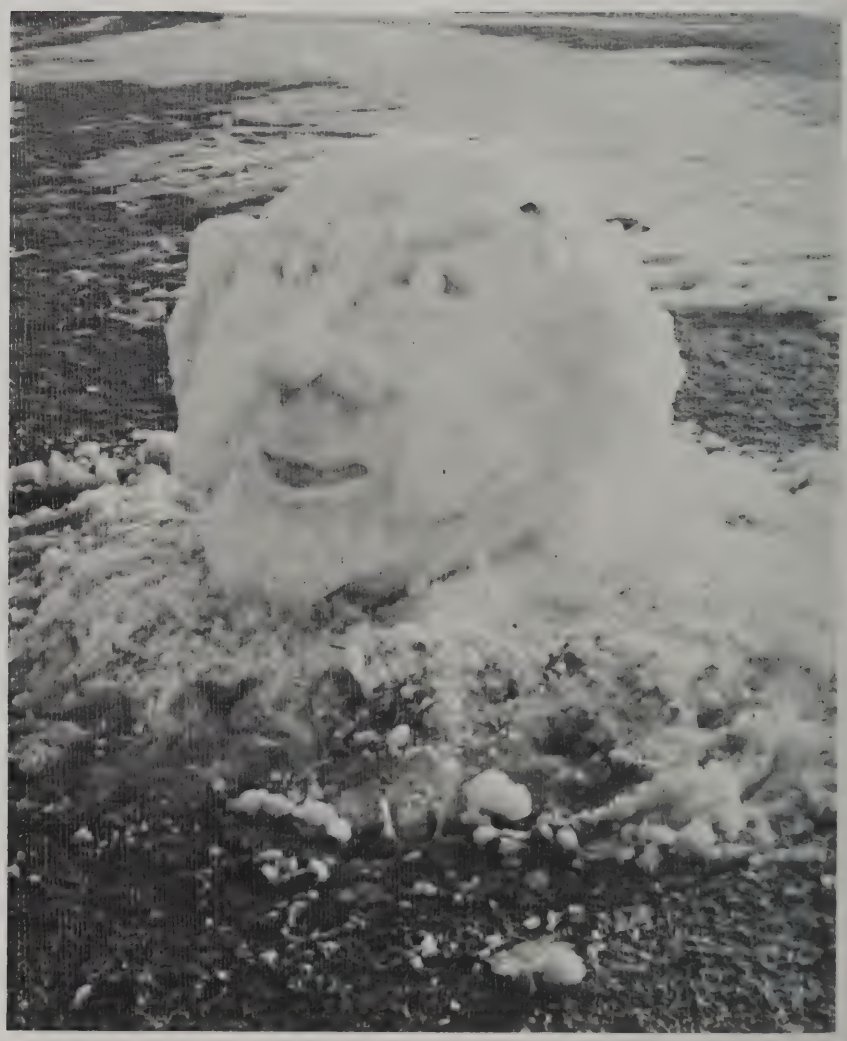

The class of 1973, in recognition of Mrs. Adams' devotion and hard work present the first copy of the 1973 MAGNET to our special friend. Mrs. Elsie Adams — Thank you so much!

Winter Carnival

In the mighty kingdom of Leominster High School, there lived a student council who decreed there was to be a great winter celebration. It came to pass that the governing body arranged for a weekend of joyous activity. The cruel winter winds descended upon the valley and forced its people into the kingdom's great halls, where they amused themselves with athletic and social pastimes, and quenched their thirsts with swigs of royal brew. The weekend was culminated by the crowning of three fair lasses representing each class. Although the winter wonderland lost its sparkling snow, the revelers remained unaffected as they danced gaily into the night.

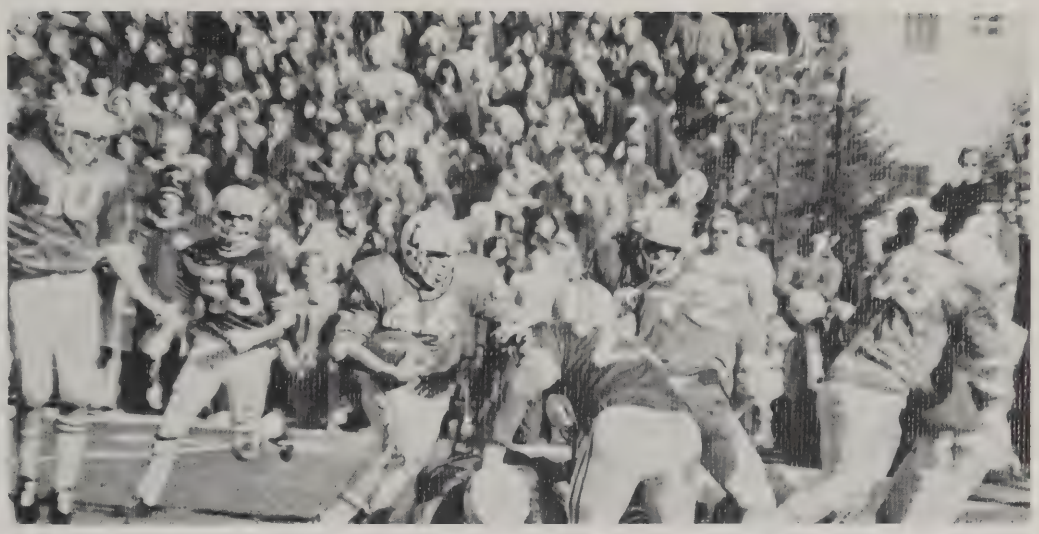

Sports

Sports . . . practice after practice . . . sweat . . . determination. A thread made of team efforts, personal victories, and mental satisfaction. Striving not only for ourselves, but also for our school.

"You who are strong and swift . . . are good in countless ways . . . In your longing for your giant self lies your goodness: and that longing is in all of you."

"Three Cheers for L.H.S.
Hardy and hale
We'll help her to success,
When her foes assail.
So fight, fight for L.H.S.
Overthrow her foes!
Up and at 'em, on your toes
for L.H.S!"

A sunny day at Doyle Field.

This year Leominster High School football started with a new program, when 60 members of the '72 team spent a week at Football Camp on the Norwich U. Campus. At camp, the squad members began the process of becoming one team — not 2 teams of 11 individuals, but a unified, together team. The Devils started on a winning track, beating a confident Newington Conn. team in the first practice game. A few days later they traveled to Montville, Conn. and again defeated the opposition soundly. Then it was back to Leominster to prove to many pessimistic fans that a team with no "Stars" could win.

The hard work at Norwich paid off and lead to numerous victories beginning with St. John's. The Blue Devils traveled to Worcester to defeat them, 28-6.

Leominster's next opponent was Nashua. It had been a decade since any L.H.S. team had gone to Nashua and defeated the Granite Staters. By just observing Leominster's warm-ups, anyone could tell who was going to win. The Devils were so "up" for this they had no trouble handing Nashua with a 30-6 defeat.

After the triumph over Nashua, feelings seemed to switch from doubt to confidence. Fans no longer asked, "Can you win?" but "How can Marlboro possibly beat you?" Leominster, however, continued to work hard because they knew Marlboro would be big and tough. It was worth the hard work — Leominster beat Marlboro 23-8.

We were only kidding — You don't have bad breath.

Coach Hannigan

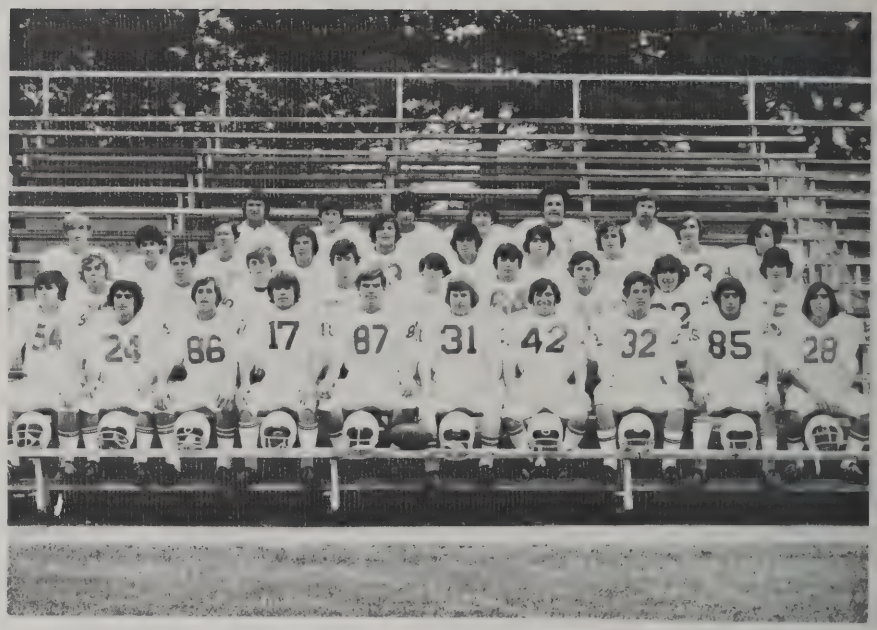

Next came Leominster's biggest test, St. Peter's. At the time both teams were working for number one in the county. Due to the fact that L.H.S. made the fewest mistakes and had a stronger defense, they won, 17-12. Leominster was now ranked number 1 in Central Mass.

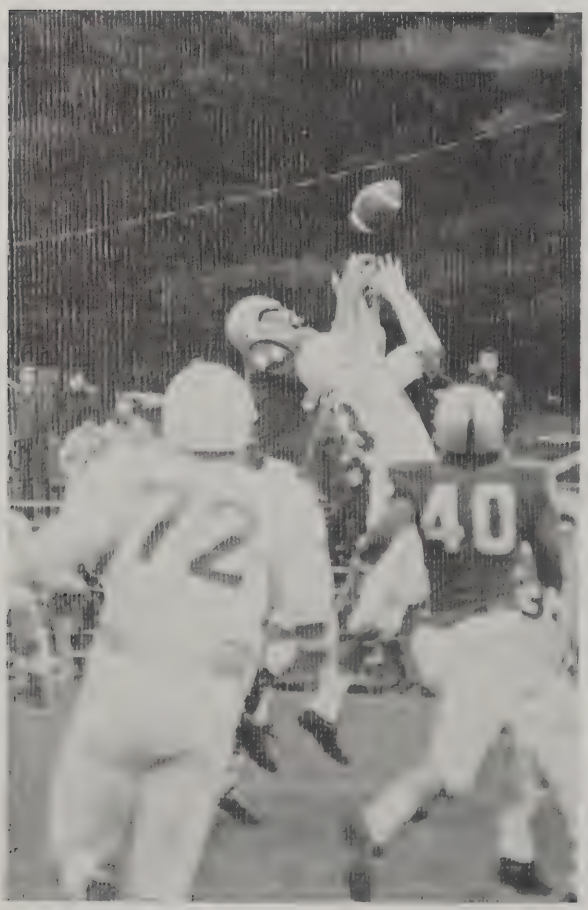

Leominster's next clash was with Arlington. L.H.S. squeaked out a 14-13 victory when they were able to withstand a last minute goal attempt by Arlington.

The next game was against Manchester Memorial, a team which hasn't been beaten since the 1970 season. The Devils defense kept the first half of the game close but in the second half L.H.S. developed fumbleitis and couldn't control the ball. Manchester won 30-6.

All Season Long — It Was a Team Effort

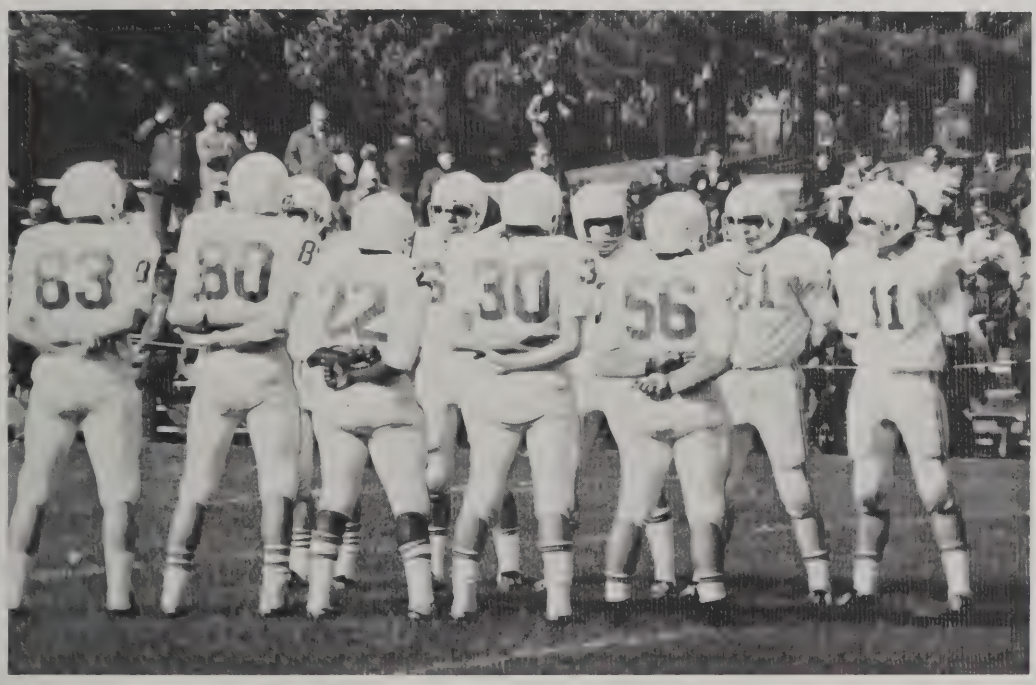

The next Saturday, determined Gardner came to Leominster and controlled the ball for much of the game. Leominster lost to Gardner, 28-20 in a game everyone would rather forget.

With two straight losses, the team that came from nowhere seemed to be returning there. The players tried to keep their spirits high as they prepared to face a tough Revere. When the players walked into the locker room they could only stop and stare. A group of girls had taken it upon themselves to show the team how much they meant to them. They had decorated the locker room with posters.

After seeing all the praise the girls had for the team, the Blue Devils went out and earned their praise with a hard fought victory over Revere, 21-13.

The final game of the season was the traditional "Turkey Day" clash with Fitchburg. The winner of this game was going to play in the post-season bowl game. Fitchburg, however, proved themselves worthy of this honor as they controlled the ball most of the game and won 27-19.

The team of '72 can't be judged on a win-lose basis becuase they played as a Team — one solid unit — and that was worth more than any win, loss or title.

With their record of 9 wins, 1 tie, and 1 loss, nobody can deny that this years' girls' field hockey team was one of the best ever put together. Among the secrets of the team's success was the great balance between offense and defense. Elise Leger led the team in goals scored with 5, followed by Pepper Pothier and Helen Fluet, each with 4 goals to their credit. The Devilettes' defense, led by Leslie White, Noreen McLaughlin, and Sue Thibodeau, was almost impenetrable, allowing only one goal in the long season. But we can't forget that individual standout performances could not have produced such a fine season without the strong and skillful backing of the entire squad.

District Champs

In the few years that soccer has been a varsity sport at Leominster High School, the Blue Devils have established themselves as a formidable foe. Under the coaching of Emile Johnson, Jr., the L.H.S. booters have consistently dominated the area, and this year was no exception as the team produced a spectacular 15-2 record.

Under the leadership of tri-captains Dave L'Ecuyer, Mike Pavilaitis, and Gary Brow, the team worked together for a sensational season. Each game was a total team effort.

Coach Emile Johnson summed up this year's team when he stated, "The defense is the backbone of our team, but the offense always seems to come through when we need the key goals." The defense this year sparkled as they turned out 10 shutouts, 7 of them consecutive. This record was provided by a strong defense and the outstanding goaltending of Ray Moyen. His 7 consecutive shutouts and 32 straight periods without a goal scored should stand for many years.

Coach Emile Johnson, Jr. and tri-captains Gary Brow, Mike Pavalitis, and Dave L'Ecuyer.

At the center of the defense was captain Dave L'Ecuyer who helped coach defense while playing center halfback. There isn't a player with more drive and spirit. Dave was backed by veteran fullbacks Glenn Hansen and Jim Mitchell.

Valuable halfbacks who filled in the position as needed were Billy and Mike Pananos and Bob Newman.

No one can win a game without scoring, and in this area Mike Pavilaitis and Gary Brow were sensational.

Defense Has 10 Shutouts — a New L.H.S. Record

Other starters on offense were Ernie Rooney and Frank Bovenzi.

The services of Tony DiNardo were unfortunately lost early in the season when he tore some ligaments in his ankle, but Dicky Freda, Tom McMurray, Kevin Sideleau, and Jim Legere did a fine job of filling in.

Everyone worked and played to achieve a winning season, and the example of the seniors has left a high standard to be met by another promising team next year.

cross-country

Under Coach Carl Baker, the L.H.S. cross country team finished this season with a 3-4 slate. With a limited number of runners (twelve were the most running at any one time), the team competed against teams with twenty-five to thirty men.

Starting the week before the opening of school, and ending at the beginning of November, the dedicated team of runners ran distances of up to twelve miles per day along the city's streets and among the hills behind the school.

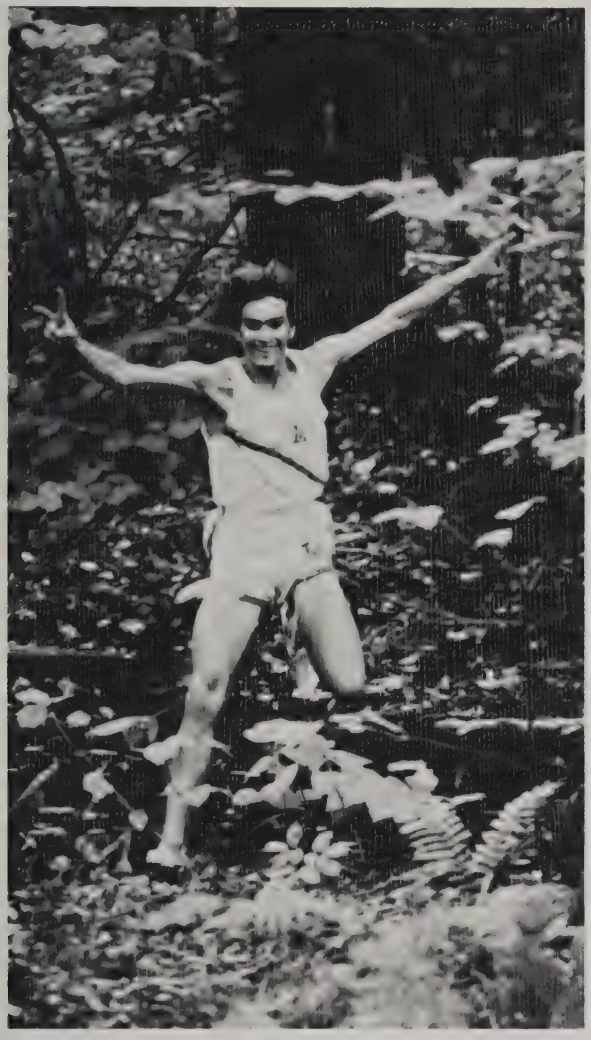

The season started on a cold rainy day in September with a narrow loss to Holy Name on our home courses. Another narrow loss occurred against St. John's in a run during halftime of our football game there. Next came a thrashing of Athol by our harriers in Athol. Now they faced arch-rival Fitchburg on the foe's home course. Our boys scored a resounding victory. All seven varsity runners finished before Fitchburg's third man. St. Bernard's next fell to the L.H.S. team before we lost the final two meets to Gardner and Wachusett. The team finished third in the League meet and also ran in the K. of C. race in Worcester, the Wachusett Invitational and the Lunenburg Invitational.

The team was led by Pat Wyman who set a new school record of 14:42 over the 2.8 mile course. Juniors John Natchwey and Mike Peterson were the next two runners followed by seniors Tom Bovenzi and Milt Moran and then sophomores Andy Proos and Charlie Ciccone.

Coach Carl Baker, Pat Wyman, Milt Moran, Andy Proos, Tom Marrone, Monty Watts, Mike Peterson, Alda Cossi, John Natchwey, Vinnie Bisceglia, Tom Bovenzi, Charlie Ciccone, Mick Levine, Coach Rod Tulonen.

L.H.S. entered an Eastern Mass. Swim League this season composed of 24 teams representing greater Boston and our local area. The Devilettes ranked 16th at the finish of their first season in this strong competition. Outstanding individual performances came from Ann Barnett in butterfly events, Tracy Buckley in the individual medley and backstroke, Cherie Thomas in all distance events and Karen Corzine the team sprinter. The medley relay team of Tracy Buckley, Julie Lemieux, Ann Barnett and Karen Corzine was undefeated in the 1972 season. It was great fun, competition, and hard work.

The L.H.S. swim team, led by team captain Danny Bourgault, had another fine season. Danny was the only senior on the team so the team is expected to have an even better record next year. Special acclaim should go to such fine stalwarts as Jack Celli, Jim Kilcoyne, Paul von Eigen, and Don Piermarini. Celli came in twelfth in the State Meet which can be considered as a fine showing since Celli is only a junior and it is his first year of diving.

Leominster's high powered hockey team, coached by Dick Duscheneau, turned in its best season in its young history with a 17-3-2 record. The high point of the season occurred when our boys whipped Notre Dame 4-2 with junior John McHugh scoring all 4 Leominster goals. This was the first team ever to beat Notre Dame in the third year of league play.

The team, led by co-captains Don Tredtin and Ray Richard, boasted some of the leagues top performers. Don Tredtin led the league in scoring, and John McHugh led in goals scored. Other high point scorers were Ray Richards, Dave Malatos, and Glen Amico. The defense was one of the best in the area. It was led by Jim Peloquin, Mark Carrier, Bob Marquis and Armand Daigle with Al Nutting ably filling in when needed. Roger Richard was one of the best goal tenders around.

The season started in mid-December with a 6-1 victory over Murdock and soon after a 2-1 victory over arch-rival Fitchburg. The team was flying along with scores of 9-2, 5-0, 7-0, 10-2, and a 9-0 win over Gardner. Only 3 days after dominating Gardner, the team had a bit of a letdown and could only scrape up a 1-1 tie with this same Gardner.

Tredtin — League's Highest Scorer

The next two games against Doherty and Notre Dame resulted in 3-1 and 4-1 losses. After this the team got back in the track with a come-from-behind victory over the troublesome Nashoba Regional team. In the last 9 regular season games, the team went undefeated avenging the two earlier losses, to Doherty by a score of 5-3, and to Notre Dame by a score of 4-2. This streak was marred only by a 2-2 tie with Nashoba Regional, a team they were to meet in the Division II semi-finals. In the semi-final game we won a hard fought 3-2 decision and moved into the finals against Notre Dame. Our boys could not put the puck into the net that night. This resulted in a 5-0 loss. For a team in only its third year of existence, which sometimes could practice only at unheard of hours, our boys deserve congratulations for a job well done.

Wyman — 3rd Place In State All-Star Meet

Leominster's Indoor Track team finished a successful season with a 7-3 record overall and a 7-1 record in the CMSL. Although this was the best record of any team, we finished second in the league because we finished second in the league meet — thanks to some bad luck.

The team had many outstanding performers. It was led by co-captains Pat Wyman and Dave DeMar. Wyman added two more school records to his name with a clocking of 4:27 in the mile and 2:21.5 in the 1000 yard run. Top point-getter junior Kevin Richards set two records also with a leap of 6 feet 2½ inches and a time of 36:00 seconds in the 300 yard run. Dave DeMar was unbeaten in the shot put. Only a limited number of students and Coach Carl Baker were willing to practice at the hour of 6:30 A.M., but everyone who was on the team contributed to its winning season.

After weeks of intensive conditioning in fundamental skills, offensive plays, and defensive tactics, the girls' basketball team began its season with great enthusiasm. The team's nucleus was made up of 6 experienced seniors who, as underclass players, were able to work at combining their individual talents into a smooth-running machine. Starters Phyllis Levy, Leslie White, and Sue Thibodeau were versatile, shinning on both offense and defense. Contributing valuable support to the team were Betsy Jancaitis and Diane Bangrazi, who often came off the bench to revitalize the efforts of the L.H.S. team. Much can be said about Noreen McLaughlin. She was outstanding in shooting, passing, and rebounding. But just as important as her skill was her strong spirit and her dedication to the game of basketball.

Unfortunately, the final record of 6 wins and 7 losses cannot possibly reflect the coaching ability of Margaret Iacoboni, nor the fine skills possessed by the 1972-1973 girls' basketball team.

We stand on the brink
of the unknown; which is to say;
things are normal, and good,
and permissive of joy. Berrigan

We've woven many threads in our years at Leominster High School. We weren't always sure of the patterns and designs we were creating, but we had faith in the materials we were working with — our friends, our desire to learn, and our spirit for fun and sport. And now that our weaving is done, we have the satisfaction of seeing that our class has created a tapestry of which we are all a part.

Annecy, France

While the majority of the Leominster High School student body were feeling the pains of Spring Fever, twelve French scholars were preparing for a month of traveling.

The month of May marked the initiation of a student exchange program between Leominster and Annecy, a city of 60,000 people located on Lake Annecy near the Swiss border.

In France, the "etudiants" lived with a French family for three weeks, during which time they absorbed the culture and French language. The last four days of their trip were spent in Paris where the students were able to enjoy the ramifications of speaking French with their "families," as they tried their linguistic skills on the Frenchmen. The twelve students will always treasure the friendships they made and the unforgettable experiences they encountered. They are especially indebted to Monsieur Rheault for his hard work, encouragement and friendship which made this exchange program possible.

Grant me the serenity
to accept the things I cannot
change; the courage to change
the things I can: and the
wisdom to know the difference.

Farewell Assembly

Miss Lillian Ricker

Forty years of service as teacher, counselor and friend to Leominster High School and her students.

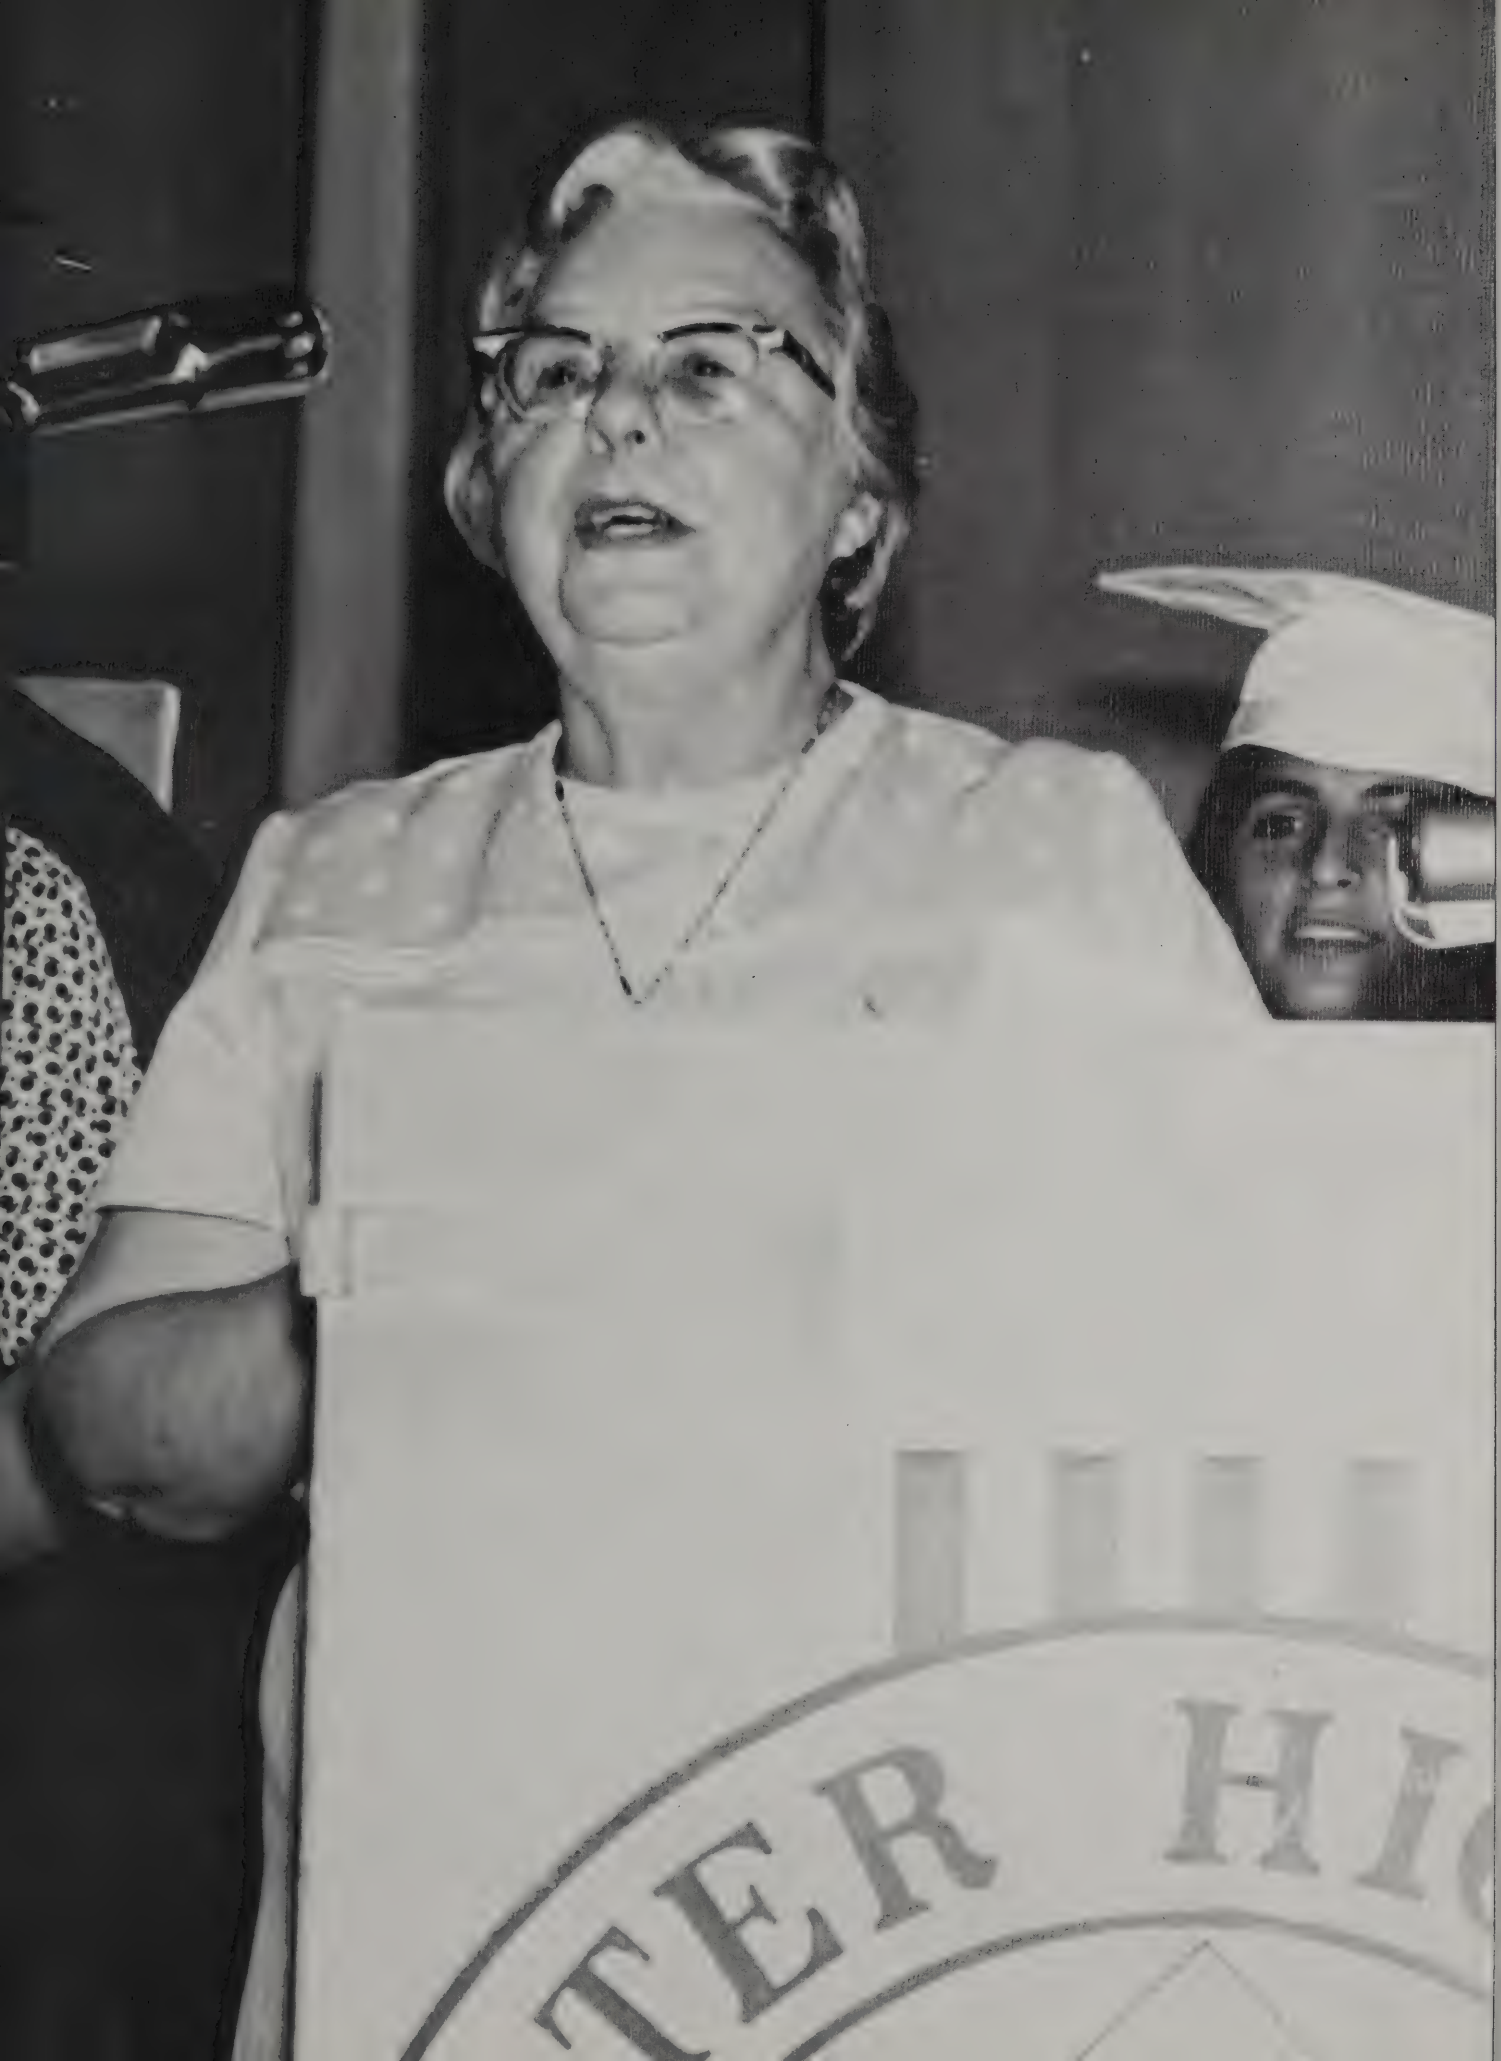

You would measure time the measureless and the immeasurable.
You would adjust your conduct and even direct the course of your spirit according to hours and seasons.
Of time you would make a stream upon whose bank you would sit and watch its flowing.

Yet the timeless in you is aware of life's timelessness..
And knows that yesterday is but today's memory and tomorrow is today's dream.
And that that which sings and contemplates in you is still dwelling within the bounds of that first moment which scattered the stars into space.

Who among you does not feel that his power to love is boundless?
And yet who does not feel that very love, though boundless, encompassed within the centre of his being, and moving not from love thought to love thought, nor from love deeds to other love deeds?
And is not time even as love is, undivided and spaceless?

But if in your thought you must measure time into seasons, let each season encircle all the other seasons.
And let today embrace the past with remembrance and the future with longing.

— Kahlil Gibran

TER HI

Alma Mater

Upon the hill you stand upright
Against the storm of time and tide.
Your glory is our guiding light;
Your nobleness our pride.
We raise our voices now in song
And send your praise across the sky.
You served us faithfully and long;
Your spirit shall not die.

CHORUS

Hail, O Alma Mater, hail to you,
Your noble heart forever proud and true.
And though the years are dark and long,
This will be our song forever more.
The trust you gave us we shall not forget,
For faith can never know regret.
The star of truth, symbol of our youth,
We praise you, Leominster High.

Senior Recognition Night

If the day and night are such
that you greet them with joy,
if life emits a fragrance . . .
is more elastic, more starry,
more immortal, — that is your success.

— Thoreau

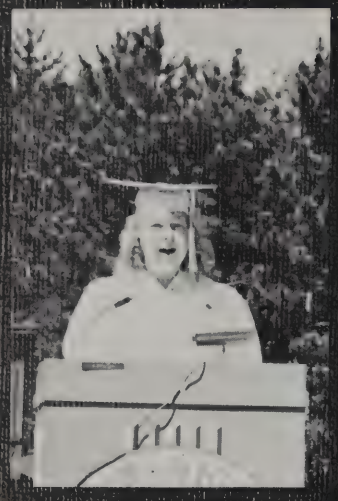

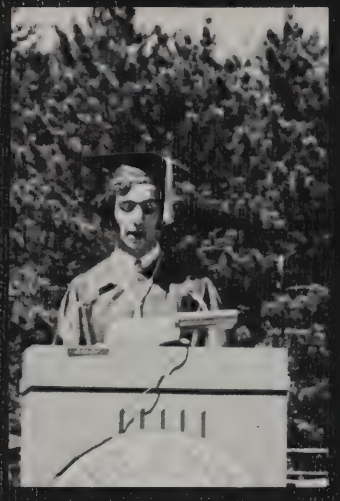

Graduation

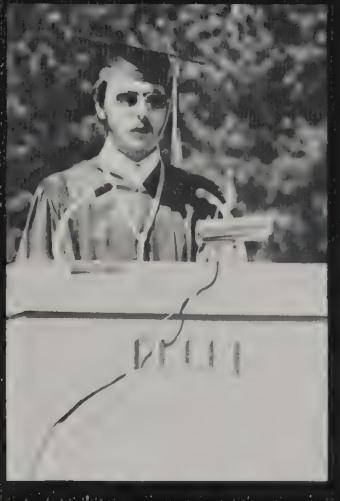

Beth Ayer —
We, as Man, must always strive to achieve, to understand the unknown and to unlock the mysteries of the universe . . .

George Ayoub —
. . . life is not merely for the acquisition of specific knowledge, but for the total enrichment of the entire human being.

Alda Cossi —
. . . have faith in your own beliefs and personal resources . . . keep intact that childlike curiosity and love for everyday life.

Ross Turner —
"For what is a man profited, if he shall gain the whole world, and lose his own soul?"

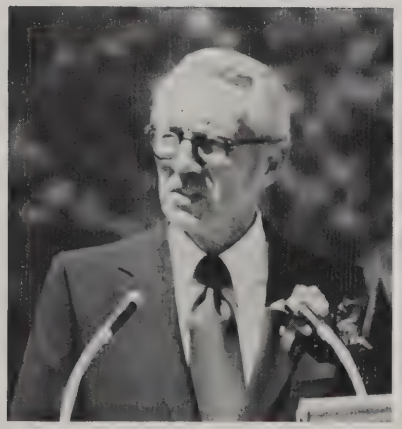

"Interview" Wins State Drama Title

May you always have . . .

enough success to make you proud

enough joy to keep your heart singing

enough trials to keep you strong

enough luck to make you smile at life

enough work to keep you from getting rusty

enough of all of life's treasures to keep you truly happy.
